

Elk Rapids Ladies Golf League 2026 Calendar and Registrations

The Elk Rapids Ladies Golf League memberships are filled first by those who played the previous year. Members who have been on a leave receive first consideration when filling vacancies; these returning members as well as New Members must establish a handicap by submitting 6 nine-hole scores or three 18-holes to establish a new handicap or have an established GHIN handicap. These scores must be turned in by **May 1, 2026**, when notifying the league President that they are returning. For any questions regarding the ladies' league or establishing a handicap, please contact Kimiya Shippey. Ladies, **if you were a league member in 2025, please complete the registration form below even if you do not plan on playing in the league.**
